MARVELOUS RESULTS.

From a letter written by Rev. J. Gundersen, of Dimondale, Minn., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rives Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery, it was quick in its work and highly satisfactory in results." Trial bottles free at A. F. Hargrave's Drug Store.—Regular size 50c. and \$1.00.

While in Topeka last March, E. T. Barber, a prominent newspaper man of La Cynge, Kan., was taken with cholera morbus very severely. The night clerk at the hotel where he was stopping happened to have a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and gave him three doses which relieved him and he thinks saved his life. Every family should keep this remedy in their home at all times. No one can tell how soon it may be needed. It costs but a trifle and may be the means of saving much suffering and perhaps the life of some member of the family. 25 and 50 cent bottles for sale by A. F. Hargrave.

"We would urge every one to read the advertisement of Simmons Liver Regulator. We have never before said one word in favor of any patent medicine advertisement in our columns; but having given Simmons Liver Regulator a fair trial, we do not hesitate to say that for Dyspepsia and General Debility it cannot be excelled."—Fred M. Childs, editor News, Kenton, Ohio.

The first ad. of a firm is like the first day in business—little can be expected of it.

Are you taking SIMMONS LIVER REGULATOR, the "KING OF LIVER MEDICINES?" That is what our readers want, and nothing but that. It is the same old friend to which the old folks pinned their faith and were never disappointed. But another good recommendation for it is, that it is BETTER THAN PILLS, never gripes, never weakens, but works in such an easy and natural way, just like nature itself, that relief comes quick and sure, and one feels new all over. It never fails. Everybody needs take a liver remedy, and everyone should take only Simmons Liver Regulator.

Be sure you get it. The Red Z is on the wrapper. J. H. Zettin & Co., Philadelphia.
